THE HOME. THE COMMUNITY.
THE WAY YOU WANT TO LIVE.

A little more room to enjoy life.

Start with a bright, open living space and a kitchen that keeps everyone connected. Add private balconies, a primary suite with a walk-in closet, and a community with plenty to enjoy beyond your front door.

A HOME THAT WORKS FOR YOU

Three bedrooms and two baths. White Shaker-style cabinetry, stainless steel appliances, a gas range, in-unit laundry and central heating and air conditioning.

A COMMUNITY WORTH COMING HOME TO

A pool, clubhouse, barbecue area, landscaped lounge seating and a fire feature for relaxed afternoons and evenings.

TWO SPACES. ONE GREAT LOCATION.

Two oversized parking spaces beside the access door in a gated, secured private garage. Building elevator access adds convenience.

EVERYDAY ESSENTIALS, CLOSE BY

Nearby groceries, restaurants and shopping, with convenient access to major freeways and everything Carson has to offer.
